Financial Policy & Patient Responsibility Agreement

We would like to thank you for choosing **OrthoGeorgia** as your healthcare provider. **OrthoGeorgia** is committed to providing you with the best possible medical care. It is important that you understand that payment for this healthcare is your responsibility. The following information outlines your financial responsibilities related to payment for professional services. This policy applies to all **OrthoGeorgia** locations.

For Our Patients with Medical Insurance Benefits:

We participate in most major health plans. We have contracts with many HMO's, PPO's, insurance companies and government agencies including Medicare and Medicaid. Our business office will submit claims for any services rendered to a patient who is a member of one of these plans and will assist you in any way we reasonably can to help get your claims paid. It is the patient's responsibility to provide all necessary information before leaving the office. If you have a secondary insurance we will automatically file a claim with them as soon as the primary carrier has paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. It is also your responsibility to inform OrthoGeorgia timely of any changes to your health coverage; such as, loss of coverage, due to employment changes and/or termination. You are financially obligated for any services you receive.

Please bring your ID and insurance card with you at the time of your appointment.

If you are insured by a plan we do business with but don't have an insurance card with you, payment in full for each visit is required until we can verify your coverage.

Medical services that are considered by your insurance company to be non-covered, out of network, or not medically necessary will be your responsibility.

Co-Payments/Co-insurance/Deductibles:

Your insurance company requires us to collect co-payments at the time of service. Waiver of co-payments may constitute fraud under state and federal law. Please help us in upholding the law by paying your co-payment at each visit. For your convenience we accept cash, checks or the following credit cards: Visa, MasterCard and Discover. If you do not have your co-payment your appointment may be rescheduled.

You may have co-insurance and/or deductible amounts required by your insurance carrier. **Until deductibles are satisfied**, an upfront deposit of \$200 will be requested at check-in for each visit. Any additional services rendered during your visit will be collected at check-out. Any outstanding balance on your account, after adjusting for all of your insurance's responsibilities, will be billed to you. Other services provided within your care at OrthoGeorgia, such as therapy, will be a separate benefit and that information will be provided to you at the time of service or prior to the time of service.

Waiver of Patient Responsibility:

It is the policy of the practice to treat all patients in an equitable fashion related to account balances. The practice will not waive, fail to collect, or discount co-payments, co-insurance, deductibles, or other patient financial responsibility in accordance with state and federal law, as well as participating agreements with payers.

For Our Patients with No Medical Insurance or Limited Plans:

If you do not have group/individual medical insurance or a limited plan, payment for all professional services is expected at the time of your visit. Please note, we do offer self pay rates for patients without health insurance. A deposit of \$500.00 will be required at check-in for every physician visit. Other fees may vary depending on the type of service.

Late Arrivals:

A patient who arrives more than 15 minutes after his/her appointment is considered a late arrival. A late arrival, not considered to be the responsibility of the Practice, will be registered and worked into the schedule as soon as possible. If the patient is more than 30 minutes late, the appointment may be rescheduled.

Appointment No-Shows:

Any patient who fails to arrive for a scheduled appointment without cancelling the appointment at least 24 hours prior to the scheduled time is considered a "no-show". A patient who fails to present themselves two times for scheduled appointments is considered a chronic no-show. A patient who is a chronic no-show may be dismissed from the Practice.

Delinquent Balance Appointment:

Patients with a delinquent balance are required to make payment in full for future services. A delinquent account is defined as a patient balance in excess of 120 days if the patient has not made any payments or sought assistance during this time. If such payment is not made, services may be refused. Any unpaid balance, regardless of payment plan, must be paid in full before moving forward with a new illness/injury and/or physician.

Nonpayment:

All patient responsible balances that remain delinquent after 90 days, with no response to our requests for payment, may be referred to a collection agency. **OrthoGeorgia** will charge a fee of 27% of the total balance due if an account is turned over to an outside collection agency. Please be aware that if a balance remains unpaid, you and/or your immediate family members may be discharged from this practice.

It is your responsibility to demonstrate respect and be considerate of caregivers, staff, other patients, property of others, and the facility. Be aware that any behavior considered disrespectful, disruptive or abusive will result in dismissal from our facility.

Thank you for understanding our policies. Please let us know if you have any questions or concerns.
